

REMARKS

Attorneys for Applicants gratefully acknowledge the Examiner's indication, that with the minor, formal amendments made herein, all the pending claims appear to be in form for allowance. None of the amendments are intended to narrow the claims and are merely to meet formalities of U.S. patent rules. All the claims as amended are fully supported by the specification as filed and no new matter is added. Early allowance of the claims is requested.

Date: February 17, 2004

Respectfully submitted,
